

Kluhsman Racing Components Fuel Filters

KRC proudly offers our patented In-Line,
hard anodized fuel filters:

- 
- 
- ◆ Best with alcohol
 - ◆ High pressure for fuel injected
 - ◆ Short or Long body
 - ◆ Stainless 100 Micron
Aerospace Quality AS9100
 - ◆ Designed to ISO9001 specifications

Imitation is the highest form of flattery. Do not be fooled with off shore knock-offs. KRC Fuel Filter screen is "Aircraft" quality for filtering, such as water. When paying \$1,000 for a carburetor and \$30,000 for an engine you've gone top shelf to this point, so why not use the best in Fuel Filters-

KRC Fuel Filters!
